

all proceeds to support

Magazine of HOPE

Make your investment go further by purchasing an advertisement confident in knowing that 100% of the proceeds support your local women's shelter.

Family Transition Place (FTP) provides a continuum of services to help women and children escape violence and unhealthy relationships and to help them rebuild their lives. Inside our doors, we offer a warm and welcoming place where their safety and well-being is the most important thing in the world. Whether it's a safe place to live, or the services of a professional, skilled counsellor to assist them on their journey, FTP is there to help. FTP relies on community support through donations and sponsorships to ensure its programs maintain their high standard of excellence and that our Youth Education programs continue to be available to the youth and communities of Caledon and Dufferin.

About

FTP will be publishing their fifth edition of the HOPE magazine – a full-colour, high-quality publication – a reflection of a community coming together to support their important work.

The magazine will feature stories of HOPE and inspiration from woman abuse survivors, information about domestic violence, and what people can do to help. This magazine is released every September to coincide with FTP's fall fundraising event.

Your full-colour advertisement will showcase your business to a wide demographic audience and also provide the additional benefit of supporting your local women's shelter, which serves the communities of Dufferin and Caledon.

This publication will be distributed to participating businesses throughout the Dufferin and Caledon area, as well as at the event, which will host an anticipated 250 plus guests. The publication will also be available digitally and distributed online to our entire database – a sure way to maximize your exposure!
