

# — INTERNATIONAL — WOMEN'S Day

MARCH 8, 2021

*In support of:*

Right before the national lockdown in March 2020, we held our International Women's Day Celebration Luncheon; our last in-person fundraiser for the year. It was an amazing day and before we had a chance to enjoy its success, we were all sent home. A lot has happened since then. As much as we'd love to host a luncheon again this year, it is just not safe.

So, we are pivoting! This year, Family Transition Place (FTP) invites you to recognize, honour and celebrate the many PHENOMENAL women in our community (and beyond) who have motivated, supported and inspired those around them. If nothing else, this pandemic has helped us focus on what means the most during difficult times: our loved ones. Staying connected has never felt more important. This pandemic has also highlighted how much women do to support our communities. From the women working in the front lines of health services, caregiving, cleaning and other essential roles, to the women who are working from home AND home-schooling their children.

We want to help you show your mom, best friend, colleague or staff member how much they have inspired you. We want the whole community to see how PHENOMENAL these women are.
